
Killing Floor 2 Treacherous Skies Update V1071-CODEX PC 'LINK'

CODEX - TORRENT - DOWNLOAD FREE - CRACKEDGame Overview In KILLING FLOOR 2, players descend into continental Europe where an epidemic is caused. The game was announced in September 2011 for PC, Xbox 360 and PS3 and, like the original game, you have to become a hitman named Jack. Killfloor 2 is the sequel to the previous game Killfloor (which was released on PS3 in February of this year). In Killfloor 2 we control a single character and can play in first or third person. You have to immerse yourself in the world of killfloor games and fight dangerous zombies that inhabit the islands, cities, towns and so on.
